

Chief's Citywide "Positive Interaction Program"

This month our program presentation Topic will be:

“Forensic Dental Investigations”

Nationally known Forensic Dr. Paul Stimson, will present this informative program to our Citywide PIP members. Dr. Stimson was one of the lead Dental investigators during the 9-11 New York disaster recovery and the author of four text books on Forensic Investigations.

Also, comments from Chief of Police
Charles A. McClelland, Jr.

WHERE: 1602 State St. (Auditorium)
